

EVANGEL CHRISTIAN UNIVERSITY OF AMERICA

Honorary Degree Program Information

Evangel Christian offers two honorary degrees: the Honorary Doctor of Divinity and the Honorary Doctor of Literature. The honorary degree is “not earned, but deserved.” This degree is for the person that does not need to prepare for ministry with an earned degree, but has already made an impact with his ministry. This degree acknowledges this fact.

There are several requirements for the honorary degree. An individual must submit a resume, and a photo, if possible. The age requirement is 40 or older. The individual will need to have three (3) letters of recommendation written by people that have personally known the applicant for a minimum of five years. The person must have a professional or ministerial relationship with the applicant. The letters must be at least one page long, and must include the recommender’s name, address, and telephone number. Also, if the applicant has completed any written work, such as a book, booklet, or an outstanding article, please submit a copy to us. In addition to these requirements, there is an administrative fee of **\$950.00 (US)**.

If you have further questions, please feel free to contact us. We look forward to being able to help you to accomplish the goal set before you.
